

Directions to Casa San Francesco – Tuscany

1. **Autobahn Modena / Bologna / Firenze.**

(Alternatively: From Modena in direction Milano to Parma, there on the Autobahn Genua / Livorno, from Livorno to Grosseto: first exit to Grosseto South (afterwards see point 3))

2. **After Firenze take the exit Siena / Certosa / Grosseto.**

Attention: it is only mentioned once, afterwards there are two tunnels, immediately after the second tunnel turn right into the exit. After point of payment turn right on the Superstrada Ri Siena. After Siena go straight in direction Grosseto. From there in direction Roma.

3. **Take the first exit to Grosseto South** from the Via Aurelia in direction Montiano / Magliano i.T.. Now you are on the **sp (strada provinciale) 16**, Montiano (rectangular sign, white on blue).

There please turn the odometer to Zero.

4. **At kilometre 10.5 turn left on the sp 9 Scansano.** For orientation: on the right side you can see the village Montiano.

5. **At kilometre 17.1 - a lot of curves - turn right at the sign „La Capitana“ in the strada consortile la Capitana.** For orientation: on the right side there is a house behind an iron gate with large dustbins in front. Stay on the small, curvy street.

6. **At kilometre 19,6 you'll reach a T-cross.** The small street turns left, but you'll go straight on. There is a house with dustbins and letterboxes. You are on a crushed stone road. On the right side you'll find a direction sign saying in white **San Francesco**. From there it is another **4.5** kilometres.

7. At the first occasion turn left.

8. At the next occasion turn right. You'll reach a bank and the street leads between an ugly house on the left side and an

older natural stone house on the right side. Those are our nearest neighbours.

9. Follow the street, along the stable (huge rusty iron door), between a hedge and a natural stonewall, up a bank, down a steeper part (it looks worse than it really is!), further straight on, gently downhill, a last narrow right hand bend up to the parking place.
